Draught: 6.5ft/2m  
Cruising Speed: 7-8 knots  
Daily operation: 12hrs  
Cargo hull: 13m<sup>3</sup>, hatch opening 100x80cm  
Cargo Capacity: 2mt  
Deck space: 12m<sup>2</sup> (14.5x5ft - 4.5x3.8m)  
Electricity: 12, 24, 110 and 220V  
Comm: VHF, MF/HF, Iridium, AIS, 2 Handheld VHF  
Nav: Radar, Echosounder, Autopilot, 2 Chartplotters, Searchlight (3000Lum)

Cabins: 1, with 7 bunks  
Freshwater: 3000 ltr  
Hydraulic Crane: Fassi 25, 18ft/5.75m  
Hydraulic Winch: 350kg, 400m/5mm stainless steel wire  
Engine: CAT 3306, 360 hp  
Dinghy: 1 x Zodiac MKII 30hp/4hp engines  
Safety: 1 x Liferrafts (16pax), PIRB, 100 cm tall railing surrounding the ships perimeter  
Misc. amenities: Small refrigerator, chest freezer, seawaterpump on deck, full liquor license

MS Farm is a multifunctional expedition vessel and marine workplatform licensed for passengers in coastal traffic in Svalbard.

MS Farm is ideal for smaller groups, transportation, diving, research, film crews, expeditions and documentary logging.

We are proud to be able to say that we have worked with several TV and Film Productions, including Discovery Channel's "Frozen Planet", and the full feature, critically acclaimed Motion Picture "Far North", starring Michelle Yeoh, Michelle Krusiec and Sean Bean.

Our well acquainted local crew has extensive Svalbard knowledge, with over 70 years of combined experience.

MS Farm is a flexible and mobile fieldbase for both "on land" and "on water" activities.

Forget about putting up a tent and polarbear safeguarding: You can sleep, eat, rest and even shower comfortably onboard with restroom and shower facilities. MS Farm is also equipped with a pantry with extensive cooking possibilities.

Welcome aboard.
